

Always on track.

# ERS Railways. Born with a maritime DNA

**180.000** road consignments  
shifted to railways

**150 roundtrips per week**  
in the Germany, Austria, Switzerland region

**100% green energy**  
in the rail production Germany

**50 employees**  
in Hamburg, Stuttgart, Munich, Rotterdam

**1994 founded in Rotterdam**  
by 4 shipping companies and 1 RU

**2018 part of the Hupac Group**

# High frequency network connecting Germany to seaports

- Bremerhaven**  
40 roundtrips per week
- Hamburg**  
35 roundtrips per week
- Wilhelmshaven**  
10 roundtrips per week
- Rotterdam**  
10 roundtrips per week

# boxXpress – privileged access to railway resources

**ERS Railways is the biggest shareholder of boxXpress GmbH**

**boxXpress only operates maritime transport**

**40 Siemens Vectron locomotives with ECTS and driver assistance**

**Modern wagon fleet max. 2,5 years old, with low noise breaks that last up to 240.000 km**

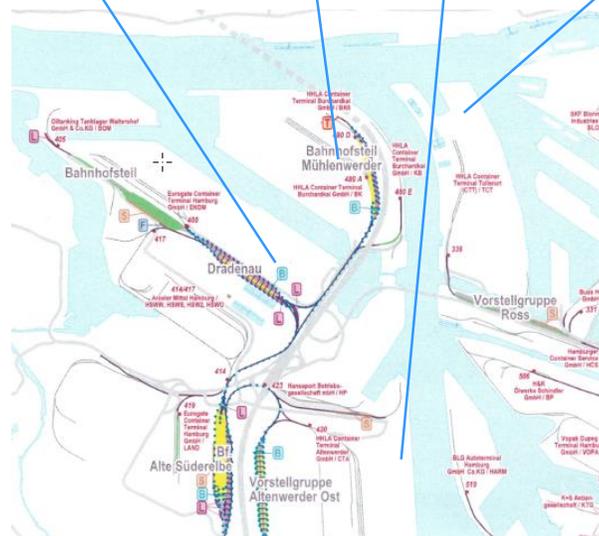

**boxXpress runs with green electricity since 2020**

# Operational concepts – dedicated to efficiency

## Ct. Terminals Hamburg

Eurokombi (EKOM)    Altenwerder (CTA)  
 Burchardkai (CTB)    Tollerort (CTT)

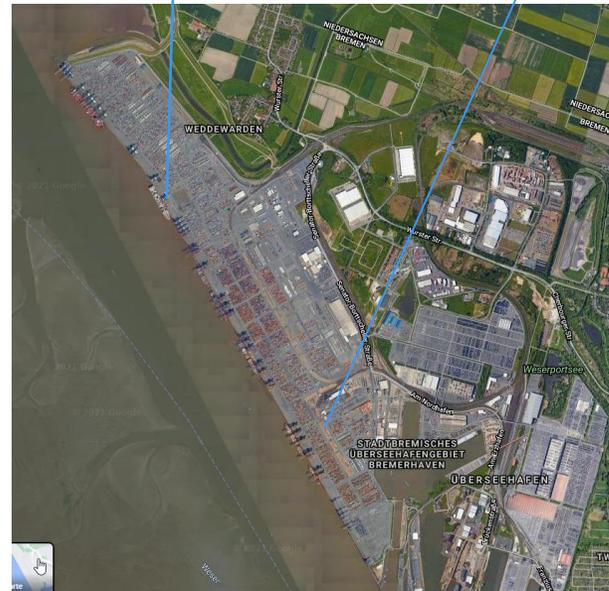

EKOM / CTA / CTB served by block trains + multi-quay trains + trucks

CTT served by truck

## Ct. Term. Bremerhaven

North Sea Terminal (NTB)  
 Eurogate Container Terminal

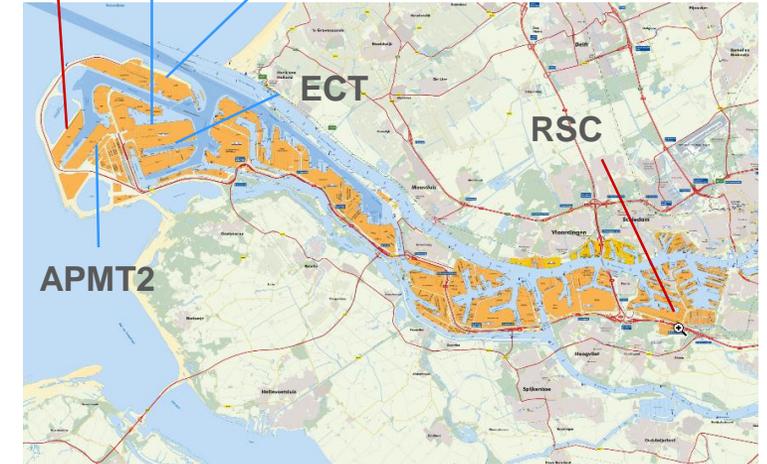

NTB + Eurogate Terminal are served by one- and two-quay trains

Van Carrier (ITT) are available

## Ct. Term. Rotterdam

APMT1  
 RWG    Euromax  
 ECT    RSC  
 APMT2

Terminals served by block trains

Rail transfer via PortShuttle

All terminals are available by truck

# Easy booking procedure

## Current online information on ERS website:

- Interactive timetable
- Real time capacity per day and relation
- CO<sub>2</sub>e consumption

## Booking procedures and connection:

- Email
- Online booking on website (in preparation)
- EDI (AC03 Interface, HTML)
- Excel and CSV formats

# We go green – without compromise

**Emission free rail transport**  
**No extra charges for CO<sub>2</sub>-free rail transport**

**Continuous efforts to improve environmental impact**

**Vectron e-locs with intelligent driver assistance and highest possible energy recovery**

**Certificate for our customers to proof CO<sub>2</sub> reduction**

**New developed CO<sub>2</sub> emission calculator allows live calculation of CO<sub>2</sub> impact of every transport**

# ERS – what makes us special?

**ERS was "born" maritime.  
We offer a full range of maritime solutions  
including single containers, slot solutions  
and dedicated/ company trains.**

**Dedicated to efficiency in the way we work  
and produce our trains**

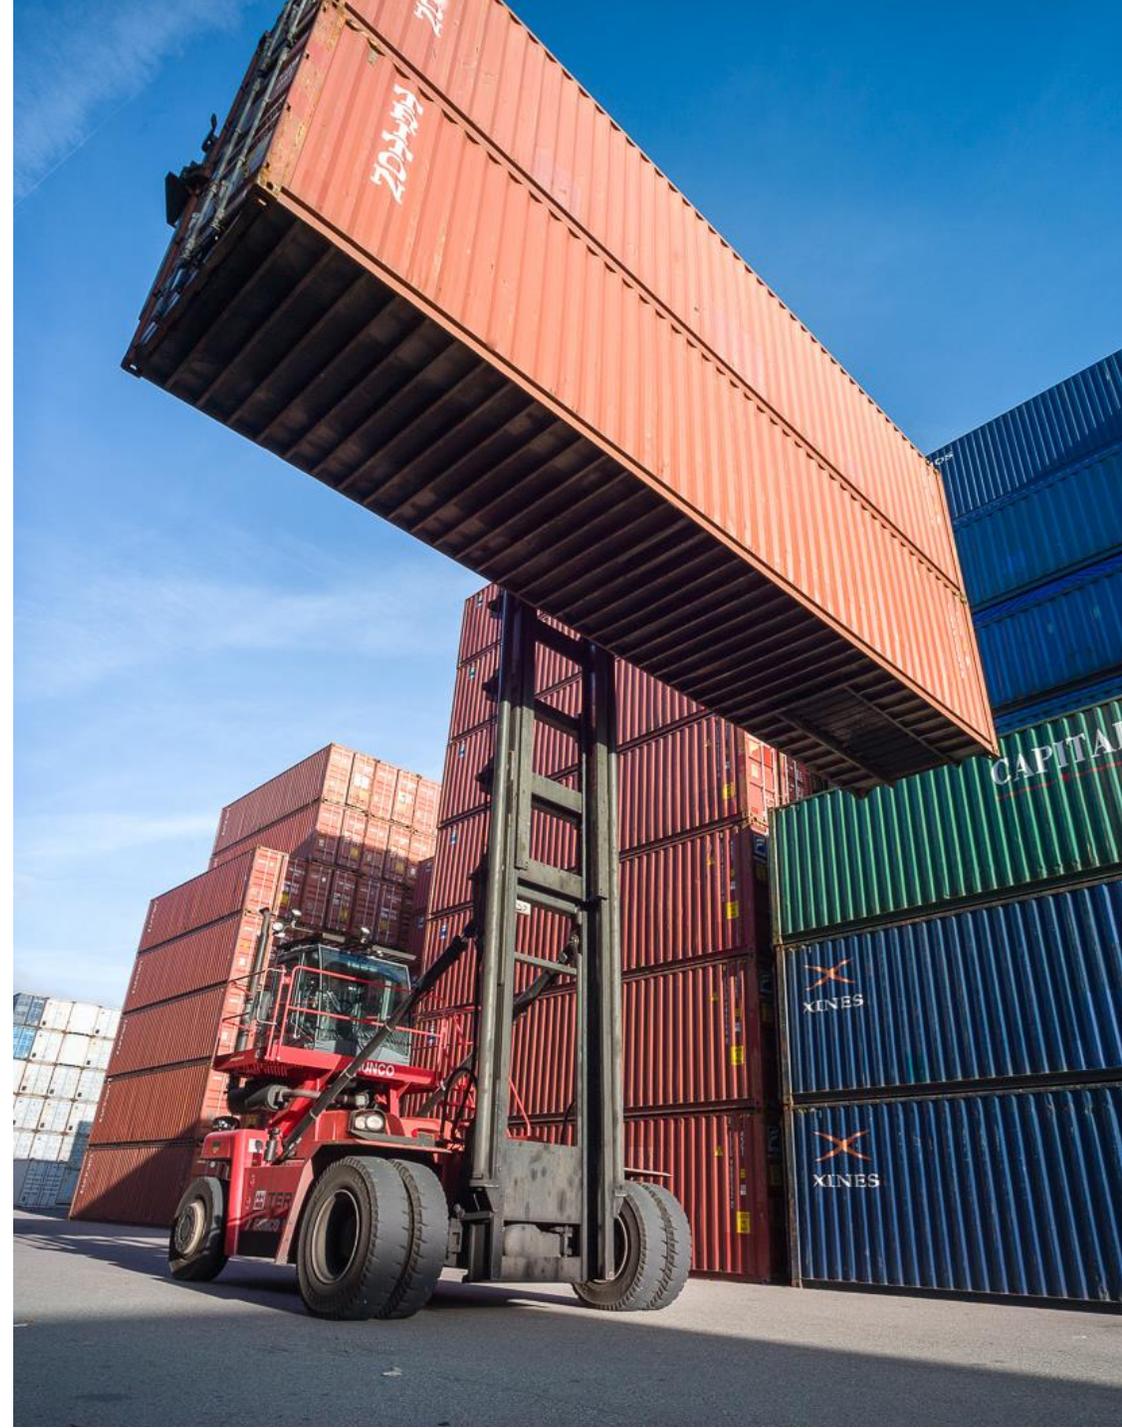

**All our trains run on green electricity at no  
extra cost.**

**Small, agile and committed team,  
headquartered in Hamburg with local  
contacts in Stuttgart, Munich and Rotterdam**

**With shareholder Hupac, ERS expands its  
services and network**

# ERS is member of the Hupac Group since 2018

**1,104,000** road consignments  
shifted to railways

**1.5 million tonnes CO<sub>2</sub>**  
greenhouse gas saved

**150 trains per day**  
in the network of the Hupac Group

**12 terminals**  
managed by the Hupac Group

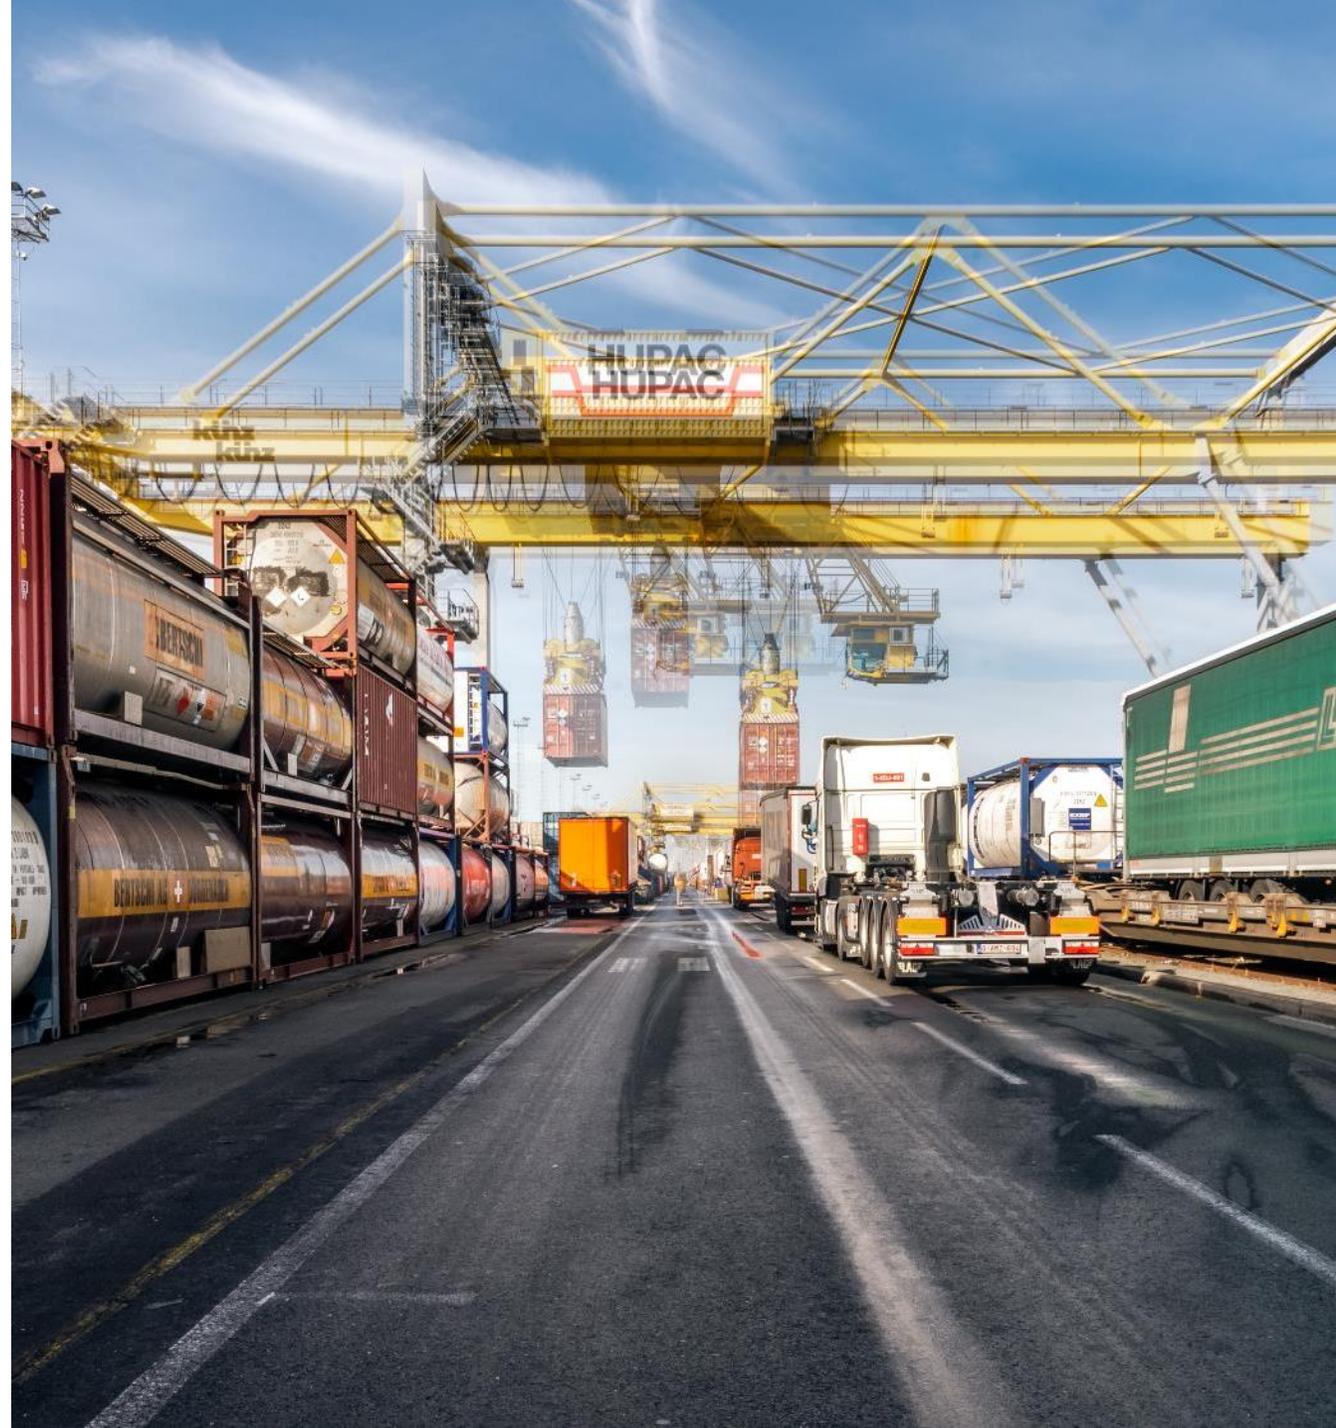

**20 railway partners**  
selected for specific relations

**9,100 wagon modules**  
completely low-noise

**680 employees**  
on a full-time basis

# Hupac Group network. The power of intermodality

## Shuttle Net

Get access to the most attractive intermodal network in Europe and up to the Far East.

## Company Shuttle

Charter your own train and secure capacity at a competitive price.

## Maritime Logistics

We deliver quality from port to door.

## YOUR ADVANTAGE

**Strong partner with an extensive intermodal network**

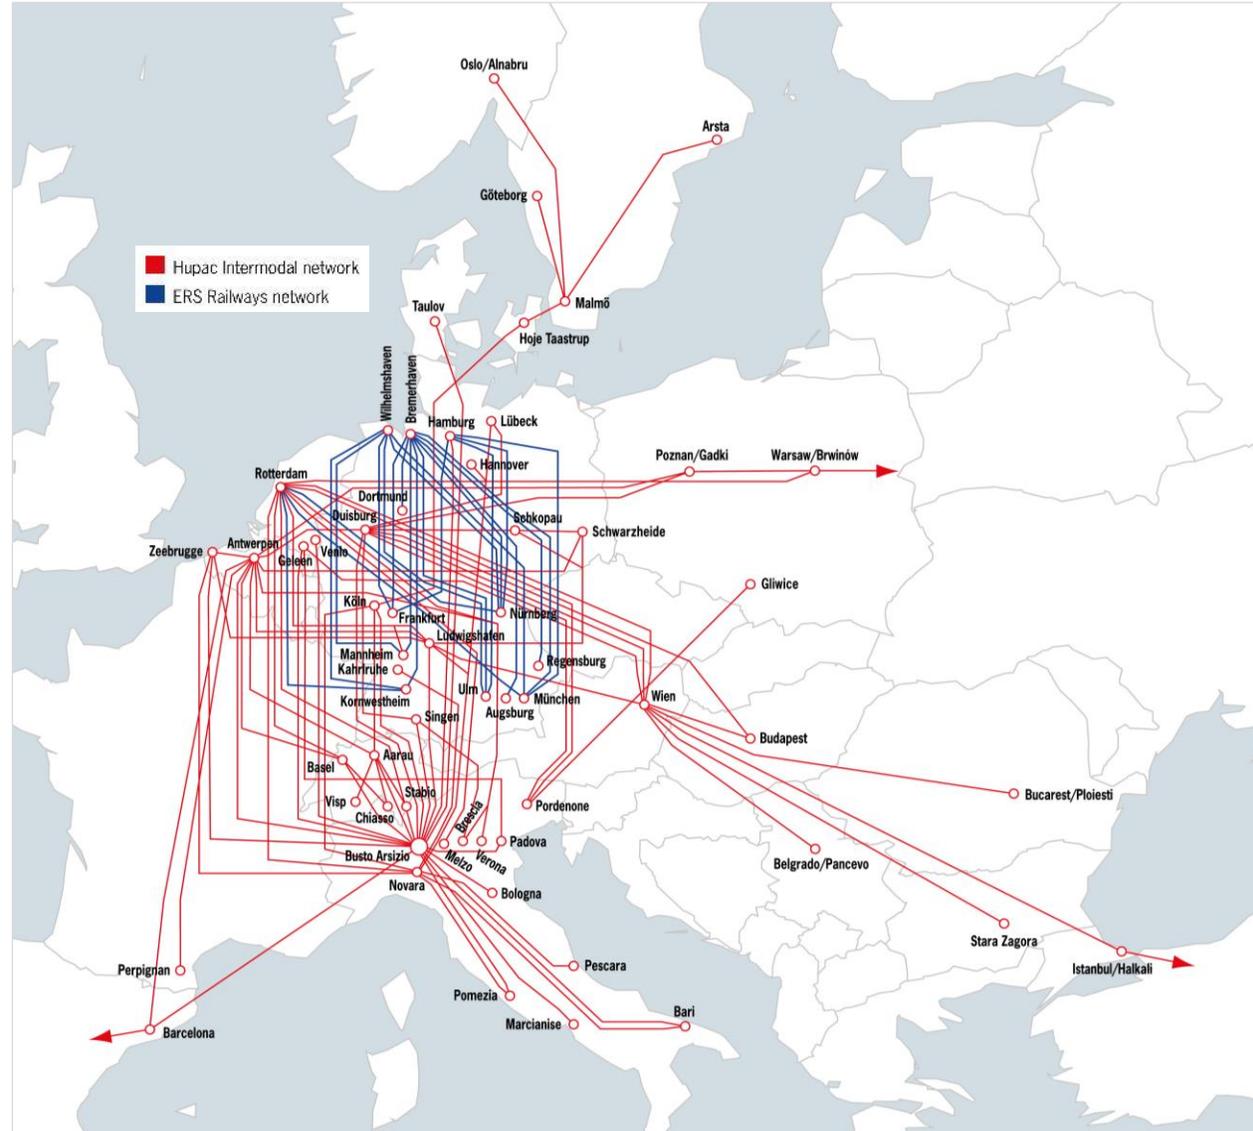

**Own resources for reliability and long-term market commitment: wagons, terminals, railway partners**

**Full package of digital & technical services**

**Eco-friendly: 90% less CO<sub>2</sub>, 75% less energy**

# We shape the future of intermodal transport

## Intermodal

We connect rail with road and sea all over Europe and beyond.

## Connected

Our customers benefit from the power of a strong network

## Smart

We are the smart way of doing intermodal, with a wide range of services at a fair price.

## Safe

Safety is our top priority: today and tomorrow

## Service

We run that extra-mile for our customers

## Quality

We fight for upgrading the performance of the rail system.

## Agile

We listen, we cooperate, we develop, we deliver.

## Emission-free

Together we make the green revolution happen.

# Get in touch with our team!

Our dedicated teams are experts in their respective regions and are available to provide you with exceptional service and support.

With local knowledge and expertise, we can ensure that your requirements are met and that you have a full-service experience. Our teams are here to assist you every step of the way.
